

Brief Report on Guest Lecture

TOPIC "Quality Assurance and Patient Safety"

Organized by the Department of Medical Laboratory Technology, Era University

The Department of Medical Laboratory Technology organized an interactive and educational 'Guest Lecture' on **26th April 2024** at 11 am – 1 pm in the Mini Auditorium, Era University. The guest speaker for the Lecture was **Prof. Dr. Manisha Singh** Professor & Head, Department of Biochemistry, Government Institute of Medical Sciences, Greater Noida, UP. She is a woman of virtue and simplicity has vast experience in the field of Quality Assurance and Patient Safety Biochemistry.

The Topic of this lecture was " **Quality Assurance and Patient Safety**". The event began with a welcome address by Dr. Kulsoom Bano, Assistant Professor, Department of Medical Laboratory Technology. She introduced the guest speaker and Prof. Dr. S. Riaz Mehndi, Dean Faculty of Allied Sciences, Era University to the audience. Prof. Dr. S. Riaz Mehndi welcomed the Guest with a Bouquet & Memento as token of Remembrance and then he delivered for a welcome speech Prof. Dr. S Riaz Mehndi sparked a few words about the speaker and in the audience.

Prof. Dr. Manisha Singh discussed the various components of Quality assurance and Patient safety in healthcare, serving as a foundation for delivering high-quality patient care. She emphasized patient care and its assessment by monitoring the quality standards applicable in medical laboratories. She discussed different aspects of quality management and their supporting tools like 5S (Sort, Store, Shine, Standard & Sustain). She also explained how a good quality result can be achieved by following the LEAP management. Ensuring patient safety means reducing patient harm in the healthcare setting.

Around 200 participants comprising students of BSc.MLT ,Ist ,II & III year ,MSc.Biochemistry, DMLT Ist & 2nd Year of Programs running in the university along with the faculty members attended the lecture, The audience found it interactive, very informative, and quite relevant to their subjects.

The lecture was concluded with a vote of thanks by Dr. Kulsoom Bano. The program was actively supported by all the members of the Department of MLT Including

Dr EktaA.Andriyas ,Dr Kulsoom Bano ,Mr Tanveer Raza Jafri ,Mrs Neha Pant, Mrs Neetu Kushwaha,Mr Alexander Singh ,Mr Abhishek Mishra, Ms Ilma Khan .It was very interactive session as Dr Manisha randomly ask question to the students during her Lectures and the students enjoyed this lectures .
