

Cyber Awareness Program Report

Date: 24th December 2021

Venue: Mini Auditorium, University Building, Era University

Organized by: Department of Computer Science, Era University

The Department of Computer Science at Era University organized a Cyber Awareness Program on the 24th of December 2021, with the aim of educating the university community about the importance of cybersecurity in the digital age. The event took place in the Mini Auditorium of the university building and was a two-hour-long informative session.

Mr. Atma Prakash Singh, Assistant Professor in the Department of Computer Science & Engineering at BBD University, Lucknow, was the distinguished speaker for the program. Mr. Singh is renowned for his expertise in the field of Cyber Security and brought a wealth of knowledge to the event. Mr. Singh highlighted the evolving cyber threat landscape, including common cyberattacks and their potential impact on individuals and organizations. The program included an interactive session where participants could ask questions and seek clarification on cybersecurity-related topics. This interactive element encouraged engagement and active learning. Dr. Mohd Islam, Assistant Professor in the Department of Computer Science at Era University, served as the program convener. Dr. Islam played a pivotal role in organizing and facilitating the event, ensuring its success. Mr. Jeeshan Ahmad Khan, Assistant Professor in the Department of Computer Science at Era University, was the nodal officer responsible for coordinating various aspects of the program, from logistics to participant engagement.

The Cyber Awareness Program organized by the Department of Computer Science at Era University on the 24th of December 2021 served as a valuable initiative to enhance awareness about Cyber Security. The insights shared by Mr. Atma Prakash Singh, coupled with the efforts of Dr. Mohd Islam and Mr. Jeeshan Ahmad Khan, ensured that the program was both informative and engaging. Era University remains committed to promoting Cyber Security awareness and looks forward to organizing more such events in the future.
