# Guest Lecture on IT ACT 2000

**Date:** 12th January, 2024

**Occasion:** National Youth Day, 2024

**Organized by:** Department of Computer Science, Era University

**Event Mode:** Offline

On National Youth Day 2024, the Department of Computer Science at Era University hosted an enlightening guest lecture on the Information Technology Act, 2000, delivered by esteemed advocate Mr. Ravi Kumar. The event commenced with a warm welcome by Prof. (Dr.) Abbas Ali Mahdi, Vice-Chancellor of Era University, who expressed his gratitude for Mr. Kumar's presence and the importance of the topic in today's technology-driven world. Dr. Mahdi emphasized the critical need for students to understand the legal frameworks surrounding information technology, especially as digital platforms continue to expand rapidly.

In his lecture, Mr. Ravi Kumar provided a detailed overview of the IT Act, 2000, focusing on its key provisions related to cybersecurity, data protection, and cybercrime prevention. He shed light on how the Act empowers authorities to regulate digital transactions, ensures the protection of sensitive information, and combats cyber offenses. His talk was rich with real-world examples and practical insights, making complex legal topics accessible and relevant to the students.

The event was organized under the leadership of Prof. (Dr.) Santosh Kumar, Head of the Department of Computer Science, who praised the initiative and stressed the importance of such interactions between students and experts. The program was seamlessly coordinated by Dr. Shweta Vikram and Mrs. Alfiya Mahmood, whose dedicated efforts contributed to the success of the event.

The session concluded with an engaging Q&A session, where students had the opportunity to ask questions about various aspects of the IT Act and its application in real-life scenarios. The event was a step forward in equipping students with essential knowledge in cyber law and its growing significance in the modern world.
