A Guest lecture titled-: “Tech and Talk: Empowering Success through IT and Communication”

The Department of English and Department of Computer Science, Era University organized a special lecture titled “Tech and Talk: Empowering Success through IT and Communication” on October 3, 2024 in the Mini Auditorium.

The program started with the blessings of hon'ble Vice Chancellor, Prof. Abbas Ali Mahdi who graced the occasion and welcomed the guest speaker with a memento. Rahul Awasthi, Deputy General Manager of IT and Training at the School of Management Sciences, Lucknow, was the resource person for the day who shared his insights on the importance of IT and communication with all attendees. His experiences and knowledge inspired everyone and provided a new perspective on the discussion. He explained how technological advancements can strengthen communication skills and contribute to professional success. Furthermore, Information Technology (IT) has simplified the process of rapidly sharing knowledge and information.

Communication technologies help people connect with one another and exchange ideas, regardless of their location. New opportunities for development have emerged in education, business, and social life through IT and communication. Digital communication has made it easier for businesses to compete in the global market. Effective communication skills play a crucial role in achieving success in both personal and professional life.

This lecture was organized under the guidance and convener-ship of Dr. Rupali Mirza, Head of the English Department and Prof. Santosh Kumar, Head of the Computer Science Department.

एरा विश्वविद्यालय में विशेष व्याख्यान का आयोजन

लखनऊ (सं)। एरा विश्वविद्यालय के अंग्रेजी विभाग और कंप्यूटर विज्ञान विभाग की ओर से गुरुवार को मिनी ऑडिटोरियम में टेक एंड टॉक:आईटी और संचार के माध्यम से सफलता को सशक्त बनाना शीर्षक का एक विशेष व्याख्यान आयोजित किया गया।

स्कूल ऑफ मैनेजमेंट साइंसेज में आईटी और प्रशिक्षण के उप महाप्रबंधक राहुल अवस्थी इस दिन के संसाधन व्यक्ति थे, जिन्होंने आईटी और संचार के महत्व पर अपनी अंतर्दृष्टि साझा की। उनके अनुभव और ज्ञान से सभी को प्रेरित करते हुए चर्चा पर एक नया दृष्टिकोण प्रदान किया। उन्होंने बताया कि कैसे तकनीकी प्रगति संचार कौशल को मजबूत कर सकती है और पेशेवर सफलता में योगदान दे सकती है। इसके अलावा, सूचना प्रौद्योगिकी (आईटी) ने ज्ञान और सूचना को तेजी से साझा करने की प्रक्रिया को

सरल बना दिया है। संचार प्रौद्योगिकियां लोगों को एक-दूसरे से जुड़ने और विचारों का आदान-प्रदान करने में मदद करती हैं, चाहे वे कहीं भी हों। आईटी और संचार के माध्यम से शिक्षा, व्यवसाय और सामाजिक जीवन में विकास के नए अवसर सामने आए हैं। डिजिटल संचार ने व्यवसायों के लिए वैश्विक बाजार में प्रतिस्पर्धा करना आसान बना दिया है।

प्रभावी संचार कौशल व्यक्तिगत और व्यावसायिक जीवन दोनों में सफलता प्राप्त करने में महत्वपूर्ण भूमिका निभाते हैं। यह व्याख्यान अंग्रेजी विभाग की प्रमुख डॉ. रूपाली मिर्जा और कंप्यूटर विज्ञान विभाग के प्रमुख प्रो. संतोष कुमार के मार्गदर्शन और संयोजकता में आयोजित किया गया था। इसमें अंग्रेजी विभाग की संकाय सदस्यों सईदा सालेहा, डॉ. मिर्जा अकील अब्बास,

विशाखा मेहरोत्रा, रुबीना खातून और कंप्यूटर विज्ञान विभाग की संकाय सदस्यों अल्फिया महमूद, डॉ. मोहम्मद हलीम और डॉ. नागेन्द्र सिंह ने योगदान दिया। विशाखा मेहरोत्रा ने कार्यक्रम का समन्वय किया। कार्यक्रम में भाग लेने वाले छात्रों और संकाय सदस्यों ने व्याख्यान की सराहना की और इस तरह के आयोजनों की आवश्यकता पर जोर दिया।
